**German-Spanish-Italian French brokerage event
on *energy efficiency* in Horizon 2020**

The National Points of France, Italy, Germany and Spain are launching a brokerage event in Lyon dedicated to H2020 energy programs and focusing more specifically to develop networking amongst the four countries.

- Focus : Energy Efficiency
- When : October the 27th 2016
- Where : Lyon (FR)
- Agenda : attached

The networking session will be split into 5 different sessions about the following thematic:

*Heating & cooling / Consumers / Buildings / Industry, service, products /
Investments & innovative financing*

More than 70 French companies and research centers, clusters and local authorities are already registered.

It will be a great opportunity to meet them, to share ideas and projects, and set up fruitful partnerships.
